

AGENDA

August 18, 2011

Lower Feather River Corridor Management Plan Work Group Meeting

AECOM Office, Coastal Conference Room
2020 L Street, Suite 400, Sacramento

Conference Line: (866) 203-6896
Conf Passcode: 256-349-3816 plus “#”

The purpose of the Lower Feather River Corridor Management Plan (CMP) is to develop an integrated strategy and long-term vision for managing the river corridor between the Yuba River and the Sutter Bypass in a way that facilitates and promotes public safety with economic sustainability and compatibility in future land uses, flood protection system management, maintenance of flood control facilities, and the restoration and enhancement of ecosystem functions and habitats.

Website: <http://www.water.ca.gov/floodmgmt/fmo/msb/>

Primary Meeting Objectives:

- Update the Work Group on meetings and activities relevant to development of the CMP;
- Discuss revisions to CMP outline and design and site planning goals, objectives and features based on feedback from Work Group and others;
- Discuss preparations for hydraulic and geomorphic analyses and models.
